This prior approval reprogramming action is submitted for approval because these actions use general or special transfer authority, exceed established reprogramming thresholds, affect special interest items, or initiate a new start. This reprogramming action provides funding in support of higher priority items, based on unforeseen military requirements, than those for which originally appropriated; and are determined to be necessary in the national interest. They meet all administrative and legal requirements, and none of the items have previously been denied by the Congress.

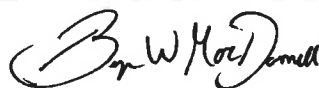

This reprogramming action transfers \$500.00 million from Defense Working Capital Funds to fiscal year 2025 Operation and Maintenance, Army and Operation and Maintenance, Navy appropriations. This transfer is made pursuant to section 8008 of the Department of Defense Appropriations Act, 2024 (division A of Public Law 118-47), as continued for fiscal year 2025 pursuant to sections 1101 and 1105 of the Full-Year Continuing Appropriations Act, 2025 (division A of Public Law 119-4).
